Fact Finder Lenehan-

I wanted to reach out to let you know the parties in the above reached a tentative agreement late Monday night. As such, we are requesting that the hearing scheduled for next week be postponed pending the outcome of the ratification vote of the parties. Should we need to reschedule it, we will let you know. I spoke with Mr. Wall this morning and he, on behalf of SORTA, has consented to this approach.

If you have any questions, or need anything additional, please let us know.

Thank you.

Joe

Mr. Lenehan-

This is to advise you that the Tentative Agreement in the above matter was rejected. Therefore, the parties will need to reschedule the fact finding hearing. In this regard, can you please provide the parties with you availability over the next several months. If you you'd like to conduct a brief conference call to discuss the logistics surrounding the rescheduled hearing, I'm sure we can find a date/ time over the next week or so when we're all available. Please let us know.
