AGREEMENT

This Agreement is entered into by and between MV Transportation, Inc., its successors and assigns, hereinafter referred to as the "Company", and the Amalgamated Transit Local Union 627, hereinafter referred to as the "Union".

ARTICLE 1 RECOGNITION

Section 1.1 Recognition of Union. The Company recognizes the Union as the exclusive representative of "employees" as defined in Section 1.2 of this Article for purposes of collective bargaining with respect to rates of pay, hours of work, and other conditions of employment for all such employees.

Section 1.2 Definition of Employees. Whenever used in this Agreement, the term "employees" shall mean all full-time and part-time non-probationary drivers, mechanics, reservationists, and dispatchers employed by the Company and based in the Hamilton County and surrounding Counties in Ohio and Northern Kentucky or Southern Indiana, who perform work for the Metro Access Para transit program under contract to the Southwest Ohio Regional Transit Authority (hereinafter "SORTA"), or its successor but excluding all other categories of employees such as Supervisors, managerial, administrative, road supervisors, classroom trainers, and schedulers as defined in the National Labor Relations Act.

Section 1.3 Definition of Probationary Employee. An employee who has never accrued seniority under this Agreement or predecessor agreements between the Company and the Union, shall be in "probationary" sta-

tus until he/she has completed sixty (60) calendar days of employment after completion of training. The discipline or discharge of an employee who is in probationary status shall not be a violation of this Agreement.

Section 1.4 Job Classes. The classification of jobs as described in Section 1.2 of this Agreement is defined as follows:

a. A Full Time employee is defined as an employee regularly scheduled to work at least thirty-five (35) hours in a work-week.

b. A Part Time employee is defined as an employee regularly scheduled to work less than thirty-five (35) hours in a week.. **Effective with new hires only, the Company shall not exceed 25% of the employees who may work as part time. New hires shall be defined as those employees hired after ratification of this agreement.**

When a full time vacancy occurs, as determined by the Company, it shall first be offered to a part-time employee within their classification, in seniority order before non-employee applicants are considered. Employees may elect to remain part-time if they so desire.

ARTICLE 2 SCOPE OF AGREEMENT

Section 2.1 Duration. This Agreement shall become effective immediately after midnight of **March 1, 2014** and shall continue in full force and effect through midnight, **February 28, 2018**. Thereafter, it shall automatically renew itself and continue in full force and effect from year to year unless written notice of election to terminate or modify any provision of this Agreement is given by

one party, and received by the other by certified mail, return receipt requested, not later than sixty (60) days prior to an expiration date.

Section 2.2 Separability. Should any Article, Section or portion of this Agreement be determined to be in conflict with established law and unenforceable by a court of competent jurisdiction, such decision will apply only to the specific Article, Section or portion thereof directly specified in the decision. Upon issuance of the decision, the parties agree to immediately negotiate a substitute for the invalid Article, Section or portion thereof. Neither party shall be under any obligation to renegotiate any Articles, Sections or portions of this Agreement which are not affected by such decision.

ARTICLE 3 SENIORITY

Section 3.1 Seniority Defined. Seniority shall mean the length of time an employee has been employed as a bargaining unit employee by the Company on the Metro Access project, measured in calendar days from the first day of compensation by the Company of the employee. Employees who were employed on the last day of operation of Metro Access service for SORTA by the previous contractor, First Transit, Inc., who were hired by the Company, will maintain the seniority date they had at First Transit, Inc. for the purpose of rates of pay, all other benefits and selecting work including, but not limited to, the determination of order in any lay-off or recall from lay-off or other reduction in work force, bidding runs, assignments, or time off as provided for in this Agreement. If application of the preceding sentences results in two (2) or more employees having the same seniority, the employee who has the earlier date of birth shall be deemed more senior. In the event that birthdays are identical, then the employee who submitted their

employment application earlier shall be deemed the more senior. Seniority shall not accrue to a probationary employee until completion of the probationary period set forth in Article 1 (RECOGNITION) of this Agreement, at which time the employee shall possess seniority as defined in this Section 3.1. Seniority shall be applicable only as expressly provided in this Agreement.

Section 3.2 Layoff.

(a) **Determination of Layoffs.** The Company will determine the timing of layoffs, and the number of employees to be laid off.

(b) **Layoffs.** When a reduction in the work force becomes necessary, as determined by the Company, such layoffs shall be made in reverse order in seniority. Part-time employees shall be laid off before full time employees.

Section 3.3 Recall.

(a) **Order of Recall.** The employee with the most Seniority will be the first one recalled from layoff. Full-time employees on layoff shall be recalled prior to part-time employees.

(b) **Notice of Recall.** The Company will forward notice of recall by mail to the last known address of the employee as reflected on Company records. The employee must, within two (2) weeks of delivery or attempted delivery of the notice of recall, notify the Company of his/her intent to return to work on the date specified for recall and, thereafter, return to work on such date.

Section 3.4 Termination of Seniority. An employee's Seniority shall be terminated and his rights under this

Agreement forfeited for the following reasons:

(a) Resignation by the employee or termination for just cause by the Company, unless reinstated pursuant to the grievance procedure.

(b) Failure to give notice of intent to return to work after recall within the time period specified in Section 3.3(b) of this Agreement, or failure to return to work on the date specified for recall, as set forth in the written notice of recall;

(c) Failure to return to work upon expiration of an approved leave of absence;

(d) Layoff for a period of thirty-six (36) months or for a period equal to the employee's Seniority, whichever is less.

(e) Misuse of leave as a subterfuge to accept employment elsewhere or for purposes other than stated upon request for leave.

Section 3.5 Seniority List. The Company shall provide the Union each month with a list of newly hired employees, those employees that have cleared probation, those employees that have resigned or retired, and those employees that have been terminated, along with the dates pertinent to each event. The Company shall provide the Union with a Master Seniority list at the end of each month and before each pick.

Section 3.6 Return of Personnel to the Bargaining Unit. A person who, after transfer or promotion out of the bargaining unit, for a period of sixty (60) days or less, remains in the continuous employ of the Company, may be transferred, at the sole option of the Company and

notwithstanding any other provision of this Agreement, to any designated job classification in the bargaining unit previously held by the person. This option shall only be exercised once for each employee. Seniority shall be retained but shall not continue to accrue during the time an employee is promoted to a supervisory position with the Company. If the transfer of such a person to the bargaining unit requires the layoff of an employee, the employee with the least Seniority will be laid off.

Section 3.7 Seniority In Other Departments.

Seniority shall prevail in all other departments where employees are members of this Union and part of the bargaining unit. Vacancies shall be filled within a period of thirty (30) days or as soon thereafter as practicable unless the job so vacated is abolished.

When an employee applies for and is awarded a job in a different department, that employee will move into the new department at the bottom of the department seniority list. The employee will retain his/her overall seniority for purposes of benefits. Picking rights will be determined by his/her place on the new department seniority list. Any such employee moving from the department to another as outlined above, will serve a sixty (60) day probationary period in the new department and job. The Authority may at any time during the probationary period elect to move the employee back to his/her former department. In such a case, the employee will move back to their old department with full seniority for picking and benefits. In case of layoff an employee shall be allowed to return to his/her former department with the seniority attained at the time they left. For this paragraph only, departments are defined as Transportation, Mechanical including Building Maintenance, Dispatchers and Reservationists.

Dispatch and Reservationists may fill in on a temporary basis for each other. When a Dispatcher or Reservationists fills a position in the other classification

they will receive their own rate or the rate of the position they are replacing, whichever is higher.

Section 3.8 Notification. The Company will notify the Union within five (5) working days of all bargaining unit persons who accept non-bargaining unit duties with the Company and the approximate duration of the same.
